## **William A. MacKenzie, III — Police Chief**

*“Andy’s” sudden and untimely death as a result of a hunting accident this past fall saddened the community. A very substantial trust fund to assist his wife Bernetta and daughter, Meaghan resulted from a major community effort. Chairman Richard Reed’s report on this effort is reported elsewhere in this town report. We can be proud of the community’s response to this tragedy.*

**TOWN WARRANT  
THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote:

You are hereby notified to meet at the Town Hall in said Bennington on Tuesday, the 13th of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Additionally, pursuant to RSA 39:2-a and the vote of the Town at the March 4, 1975, Annual Meeting, you are hereby notified to meet at the Town Hall in said Town on Thursday, the 15th day of March, 1984, at seven o'clock in the evening to act upon the following subjects:

2. To see if the Town will (a) appropriate a sum of money for the construction of highways from State Highway Route #47 to and within the Onset Subdivision, so-called, provided that the cost of same shall be assessed by the Selectmen against the owners of property abutting or served by such highways pursuant to the provision RSA 231:28 *et seq*; (b) determine whether any appropriation under this article shall be raised by borrowing or otherwise, or (c) take any other action in relation to the foregoing. (By petition and the Selectmen)

3. To see what sum of money the Town will raise and appropriate for highways and bridges.

4. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.

5. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

6. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals, or take any other action relating thereto.

7. To see if the Town will vote to transfer any balance in either the Fire Department appropriation or the Water Department appropriation to a Capital Reserve Fund to be used towards the purchase of equipment or plant in the future.

8. To see if the Town will vote to appropriate and authorize withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budget appropriations in the amount indicated; and further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced, or take any other action hereon.

<b>Appropriation</b>	<b>Estimated Amount</b>
Police Department	\$ 3,500
Fire Department	3,500
Street Lighting	2,500
Parks and Playgrounds	2,500
	<hr/>
	\$12,000

9. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and expend and to do all other things necessary to obtain such Federal, State or other assistance (financial or otherwise), or take any other action relating thereto.

10. To see if the Town will vote to revise Town Officers salaries of the Selectmen, the Health and Welfare Officer, and the Fire Wardens as follows: Selectmen — increase to \$750; Health and Welfare Officer — increase to \$700; Fire Warden, Chief — increase to \$200; Fire Warden, Deputies — increase to \$150, and raise and appropriate money for the same.

11. To see what sum the Town will raise and appropriate to purchase a new police cruiser. Also to authorize the withdrawal from the Capital Reserve Fund and application towards this appropriation such funds as may have been accumulated for this specific purpose. In addition to apply against this appropriation the insurance payment, received in January, 1984, for damage to the cruiser.

12. "To see if the Town of Bennington shall call upon the Governor and Executive Council, its State Representatives and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Bennington, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire." (By Petition)

13. To see if the Town will raise and appropriate an amount of \$1,800 to paint the exterior of the fire station, or take any other action in relation thereto.

14. To see if the Town will vote to authorize the Selectmen to convey to Monadnock Paper Mills, Inc.: (1) the right to maintain and repair that portion of an existing earthen dike which extends easterly on the boundary line between land of David H. Clow and Gail M. Clow and land of the Town to the western side of Acre Street; and (2) to grant a right of access from Acre Street to said dam over said dike; or take any other action in relation thereto.

15. To see if the Town will raise and appropriate the sum of \$17,500 as the Town's share of a total project cost of \$111,675 to replace the Town bridge over the tail race on old Route #202; also to authorize the Selectmen to raise such sum by borrowing or otherwise, or to take any other action in relation thereto.

16. To raise and appropriate \$1,000 as Bennington's portion of the cost in order to maintain the Probation Officer attached to the Hillsboro District Court.

17. To see if the Town will raise and appropriate a sum not to exceed \$50,000 to purchase a combination four-wheel drive bucket loader, snow plow and wing, and to authorize the Selectmen to raise such sum by borrowing or otherwise or take any other action relating thereto.

18. To see what sum of money the Town will raise and appropriate for the painting of the front of the town hall, or take any other action relating thereto.

19. To raise and appropriate a sum not to exceed \$12,000 for the extension of a water main up Dodge Hill Road with costs to be shared by the residents who will be served. Also to vote that the Selectmen be authorized to borrow such sum of money that is necessary to carry out the project, or take any other action in relation thereto.

20. To see what sum the Town will raise and appropriate to pay the normal operating costs of the Town (as set forth in the Town Budget), or take any other action thereto.

21. To hear reports of Committees and act thereon.

To transact any other business that may legally come before this meeting.

Given under our hands and seal this thirteenth day of February, in the year of our Lord nineteen hundred and eighty-four.

## SELECTMEN'S REPORT

The year was one of continued progress for the community.

### POLICE DEPARTMENT

We were all deeply shocked at the untimely death of our young police chief leaving a young widow and very small child. The town rallied around to cover for both the emergency — amply and well done by our specials and the Antrim and Hancock chiefs — as well as a tremendous fund raising effort by a committee headed by “Rick” Reed. We can be proud of their efforts and the community and area response. Separately there is a report from this committee in the town report.

We are fortunate in being able to obtain a new chief, Thomas Crowell, who comes to us both experienced and well recommended. We are sure that the town's people will make him and his family welcome.

The Selectmen will be recommending the purchase of a new police cruiser which has been substantially provided for through a trust fund. It is because of this plan that we did not make repairs to the cruiser but instead will put the insurance reimbursement towards the purchase.

### WATER POLLUTION COLLECTION AND TREATMENT PROJECT

The town authorized the construction of the planned collection system which will be pumped to Antrim to their treatment facility at a recessed September town meeting. State and federal approvals have been obtained and commitments from the FmHA for not only a guaranteed loan but also for a substantial grant for the project. Construction should begin this summer.

A sewer agreement with Antrim has been completed, approved by the officials of both towns and by the state which should be of benefit to both towns.

### SEMI-ANNUAL COLLECTION OF TAXES

As the Selectmen warned last year in the town report it is necessary to go to the semi-annual collection of taxes beginning with this year. Estimated tax bills will be going out to all property owners as of July 1st and by late fall the final tax bill with credit for the earlier part-payment will go out.

### ONSET SUBDIVISION ROAD

For many years the Selectmen have been seeking a solution to the connection of the Mountain Road to Route 47 which was to be a part of the town's action in throwing up a portion of the Old Collins Road at the time the ski area was formed. This road which was also intended to serve the Onset Subdivision was never completed to town standards and in the meantime many changes of ownership have taken place both in the ski area and the subdivision.

Under guidance of town counsel the Selectmen hope to develop an arrangement whereby the road will be completed to town standards and the cost will be assessed to the subdivision abutters (therefore without cost to the Town) and the ski area. If the abutters who must pay this assessment wish this cost financed over a period of years (and the town is protected by a lien on the property until fully paid) the Selectmen have agreed to long term financing with the total debt service cost to be paid by the property owners.

A public hearing, as required by state law, was held on January 30th to provide necessary legal basis for such borrowing in the event that the hoped for solution is acceptable and the Selectmen may ask for such bonding authority in the warrant.

### LANDFILL

As authorized at last year's town meeting the three towns engaged the engineering firm of Dufresne-Henry to make a survey of the joint landfill and to assist us in obtaining qualification as a separate solid waste district under current state law. That study has been completed and

with proposed modifications in procedures at the landfill the state has approved us as a separate district. All three towns feel that qualification as a separate district provides substantial protection for the future.

#### **FIRE DEPARTMENT**

As always the fire department has not only provided excellent fire protection but continues to be a very effective force in the community for community betterment. We are proud of the department and they deserve your support.

#### **FINANCIAL**

Your Selectmen are quite conscious of the increasing burden of real estate taxes and are gravely concerned at the burden it imposes. However, we feel that the citizens should realize that many of the additional costs which must be borne are the result of the state's fiscal problems which they have solved by reducing distributions of income to the cities and towns and at the same time passing on additional mandated services without providing any financial assistance. Because the town's only source of revenue is property taxes we have no real options in this matter.

#### **THANK YOU**

We become more and more aware as the years go by that the operation of a small town and the services provided are only possible by the dedicated work of many who serve either without pay or certainly with very small pay. To all of those our thanks.

#### **REPORT OF THE PLANNING BOARD**

Early this year our prime project was preparing a zoning ordinance and revision of the town sub-division regulations to bring all in compliance with the federal and state regulations. The proposed changes were approved by the townspeople at the town meeting.

There were no major sub-divisions during the year, with the largest creating no more than five lots. Several small sub-divisions were approved, including several based on the revised sub-division regulations permitting the creation of a single rear lot with reduced frontage requirements.

The new plat filing procedure is now in effect. After a fee is paid by the sub-divider, approved sub-division plats are left with the planning board. The town then has the plats recorded.

Forms are now available for those who wish to submit a sub-division for approval. Arrangements to obtain copies of this form can be made through any planning board member.

Wayne C. Roy,  
Chairman

#### **ANNUAL REPORT OF ZONING BOARD OF ADJUSTMENT**

Since the adoption of zoning by the Town of Bennington 1983 has seen no cases submitted to the Board of Adjustment.

Respectfully submitted,  
John J. Cronin, III, Chairman  
Board of Adjustment

## **TOWN HALL**

Maintenance at the Town Hall has continued as needed and has been done to prevent future expenses. The floors have been washed, waxed, and maintained throughout, interior painting has been finished, and general repairs have been completed.

The furnaces have been maintained and a new emergency power supply light has been installed in the Old Firemen's Hall. Due to the illness and subsequent death of my Mother, I have assumed the duties, with the permission of the Selectmen, until the Town Election 1984.

Proposed projects for consideration in the immediate future should be the exterior painting of the Town Hall, a new Exit Door in the kitchen (as suggested by the Insurance Inspector), and a change in the construction and placement of the basketball hoop in front of the Stage, for the purposes of safety.

Respectfully submitted,  
David C. Traxler FOR  
Dorothy M. Traxler

## **HEALTH & WELFARE DEPARTMENTS**

1983 was basically a fairly routine year for the welfare department with total expenditures of \$3,789.93. This figure is nominal considering it included nursing home expenses. The fuel assistance program once again helped keep the costs down and I would like to take this opportunity to thank those who are eligible for participating.

The health problems are numerous, most of them to do with septic tanks and sewage. Our upcoming sewer system will absorb the sub-standard systems in the Village but the remainder of the town will have to be dealt with conforming with State statutes and local ordinances. The State Department of Health has assigned more duties to local health officers, more time but little money involved.

Barbara Huntley  
Overseer of Public Welfare  
and Health Officer

## **ANTRIM-BENNINGTON RECYCLING COMMISSION**

The five members of the commission were appointed following last year's town meeting and have met monthly. During the summer barrels for collecting green, brown, and clear glass were placed near the exit of the landfill and have been monitored regularly by the commission. The response has been very good and the care that people have taken to keep the glass clean and properly separated is very much appreciated. We hope to encourage even more people to recycle in 1984.

Elaine Barrett — Bennington  
Frank Cordelle — Bennington  
Dorothy Penny — Antrim  
Richard Pleasants, Chairman — Antrim

### **BENNINGTON HIGHWAY DEPARTMENT**

I would like to thank the townspeople for giving me their support last March.

I have improved many roads this past year by cutting back brush and trees, putting in culverts where needed, and tarring as many roads as appropriations would allow.

The new sander that was purchased this year was greatly appreciated. It has had a lot of use, with so much ice and snow.

The equipment is in good repair, but the 1971 Ford is getting tired, and the town should start thinking about a replacement in the near future.

I did not accomplish all that was intended, but with your help and understanding, 1984 should see many more improvements to our town roads.

Respectfully submitted,  
Sidney A. Huntington  
Road Agent

### **BENNINGTON RECREATION**

The Bennington Recreation Committee would like to thank everyone who has worked on the various committees to help make 1983 a successful year.

Some of our activities which took place at Sawyer Memorial Park were ice skating and baseball. I would like to thank Paul Lavoie for taking care of the skating rink. Also, I would like to thank the many people who helped me do a great deal of work on the Little League field which included installing a new backstop. Another thank you to Sid Huntington and Bob Knights who rebuilt the fireplace at the ballpark.

The summer program at the town beach was very successful. I would like to thank Norman Mercier for his time and materials for painting the bath-house. It is such a nice improvement. Leigh Larsen was the lifeguard at the town beach and she was assisted by Pat Chicoine and Joan Schnare. Swimming lessons were held for all the children and as usual the highlight of the program was "Water Fun Day."

The Little Red Wagon, a theatre group from the University of New Hampshire, provided two programs which were enjoyed by many children and adults.

A new addition to our program was a Halloween Party which was sponsored by some interested parents. The party and the dance were a big success and I hope they will do it again next year.

Once again the Community Christmas Party was very successful. Pierce School children entertained everyone with songs. As usual they did an excellent job. This was followed by a Community sing-along. Then Santa came for his annual visit and he passed out gifts to all the children. Refreshments were served and it was an enjoyable evening for all.

I must mention how disappointed I was concerning the Community Christmas Tree. The tree was only up one day before the majority of the lights were stolen and destroyed.

Members of the Bennington Recreation Committee for the year of 1983 were: Jean Cernota, Pat Chicoine, Christine McClure, Carrie Whittemore, and Joan Schnare. If you have any questions or suggestions please feel free to contact any of the above or me.

Respectfully submitted,  
Joseph Cuddemi

## **SCHOOL BOARD REPRESENTATIVE REPORT**

Another year has passed and the time has arrived to "take pen in hand" and prepare a resume for the Town Report.

At the start of school in September, 90 students were enrolled in our school. This high enrollment necessitated the voluntary transfer of 6 students to Antrim School. This leaves Pierce School with an enrollment of 84 students.

Our school staff remains relatively constant. A few changes included Miss Joyce Chuilli from Peterborough Middle School (PMS) replacing Brooks Rice who joined PMS. Barbara Bennett replaced Janet Rodriguez as Chapter I aide to the 5/6 grade combination. Brian Whittemore joined the Pierce staff as a part-time aide in Mrs. Young's third and fourth grades. Brian also coaches wrestling at Conval High School. Claudia Sysyn assignment changed to the first and second grade combination. The rest of the staff remained in their same positions. Joan Schnare, Teaching Principal and Readiness; Carol Reed, Readiness aide; Priscille Chicoine, Chapter I. The part-time staff includes, Babette Merchant, R.N., Nurse; Annarae Hunter, Art; Dale Tyer, Music; Richard Hebert, Physical Education and Margaret (Scottie) Aborn, Matron.

I would like to devote part of this report to the physical aspects of maintaining a school system. The heating system was unsuccessful in producing heat up to the 5/6th grade classroom. Adjustments were made in the system that produced more comfort for the students and staff. Minor repair to the slate roof was accomplished this year but further repairs are anticipated.

January's ice storm created an "emergency" situation in the transportation of homeward bound students thus showing the need for closer communication between school administration, transportation and parents.

A major concern for the near future is the decision whether to build a new (middle) school or to remodel Peterborough Middle School.

The school year education programs includes the 3 R's plus various public activities held in conjunction with local organizations; Spelling Bee, Plays, Hobby Show, Prize Speaking, etc. The School Staff and Students appreciate the free use of the Town Hall for these activities.

It has been a very active year with many extra meetings above and beyond the regular School Board Meetings but I have enjoyed it and thank you for keeping me "on the run."

Respectfully submitted,  
Gladys E. Newhall, R.N.  
BS, EdM, MRSH

### ANTRIM-BENNINGTON RESCUE SQUAD

The Antrim-Bennington Rescue Squad responded to 145 calls in 1983, 101 in Antrim, 35 in Bennington and 9 for Mutual Aid. Of these calls, 23 were automobile accidents involving 30 patients.

Officers for 1984 are Marshall Beauchamp, chairman; Richard Edmunds, vice-chairman; Wanda Clough, secretary/treasurer. Thank you for your continuing support.

Secretary/Treasurer

### POLICE DEPARTMENT

For those of you who might not know, I accepted the position of acting Police Chief effective January 1, 1984. I look forward to meeting the residents of Bennington and seek all of your cooperation in helping your Police Department in keeping Bennington a safe and enjoyable community for all. As has been the policy of the Police Department for the last several years there will be police coverage 24 hours a day, either through myself or one of our special officers. I look forward to working with the people of Bennington and hope that 1984 is a good year for us all.

Respectfully submitted,  
Thomas M. Crowell

The year 1983 brought the tragic loss of our Police Chief William A. MacKenzie, III. Not only did we lose a fine Police Chief but a good friend. While we will miss "Andy" we will always have the many good memories of him while he was our Chief.

Respectfully submitted,  
The Special Officers of the  
Bennington Police Dept.

## SUMMARY REPORT

### WILLIAM A. MACKENZIE III MEMORIAL COMMITTEE

On November 10, 1983 the Town of Bennington lost a dedicated public servant and many of us, a friend, Chief of Police, William A. MacKenzie III.

The memory of the terrible accident that ultimately took Andy's life, the suddenness and finality of his passing, and the knowledge of the devastating effect it must have had on those closest to him will remain with us always, but so too will something else. From this tragedy and great loss, a sense of community and support developed from throughout the Monadnock Region and from outside of our area as well, including from Massachusetts and even from as far away as California. In response to radio and television news broadcasts, news and press releases, and over three hundred letters sent out by the committee, as well as numerous phone calls to area businesses, service and fraternal organizations, and individuals, a ground swell of support for Andy's family developed.

I wish it were possible in the confines of this report to share with you the many caring and poignant letters that were received, and each containing a memorial contribution in Andy's memory.

Particularly touching and meaningful was the response of our own school children from Pierce School who voted unanimously to donate to Andy's Fund much of their Student Council funds they themselves had raised to purchase items useful to the School. I am sure too that none of us will ever forget the sight of these wonderful children who Andy had come to know waving their miniature American flags in a heartfelt and beautiful tribute to a friend they had liked and respected as the Funeral procession passed by Pierce School on its way to the Cemetery.

The school children from Antrim, too, made a meaningful donation from their fund in a like spirit of caring and concern.

Our special thanks is also extended to both the townspeople of Bennington in their generous remembrance of Andy, and to the members of the Bennington Fire Department for their tremendous support and leadership in helping to raise funds for Andy's family.

Further, I would be remiss if we did not especially recognize the great support and the many contributions from those at Monadnock Paper Mills.

Special thanks is also extended to such organizations as the Bennington Fire Department Ladies' Auxiliary, V.F.W., and Peterborough Fire & Police to name but a few of the organizations who rallied to support Andy's family in this time of tragedy.

Further, cord wood was donated and raffled off with over \$1,500 collected, and contribution jars were placed at over 35 locations throughout the area and resulted in an additional \$1,300 raised.

All of these wonderful contributions and activities taken together have allowed this Memorial Fund to extend far beyond the goal that we originally felt was attainable. The outpouring of support and kindness has truly been a meaningful and deeply touching experience for all of us.

While the immediate task of raising funds is nearly complete, the Committee members will now focus their attention on administering the Trust Fund that has been established to benefit Andy and Bernetta's daughter, Meaghan Elizabeth.

It is our hope and intention that with careful management, the income from this Trust Fund will help to defray many of the costs directly associated with the raising of a child in today's world.

It is with grateful appreciation and heartfelt thanks to Andy's many friends, and a deep sense of responsibility to Bernetta and Meaghan Elizabeth MacKenzie that we respectfully submit this report.

Sincerely,  
The William A. MacKenzie III  
Memorial Fund Committee

Raymond Dodge  
Bruce Edes  
Norman Makechnie  
Charles Lindsay  
Rick Reed  
Larry Senechal

## **MARION L. GRISWOLD**

On Thursday, January 26, 1984, your Selectmen had the great pleasure of presenting the Boston Post Cane to Bennington's oldest citizen. The cane was presented to Marion L. Griswold, age 89, who has lived in the same house in Bennington since 1916. The presentation was made at her home with many of her children and grandchildren present and it was a delight to recognize this lovely lady.

### BENNINGTON FIRE DEPT.

We wish to thank all of our friends and neighbors for the fantastic support we received from our auction and suppers.

1983 was a relatively quiet year for calls. Rescue calls were up by 10 and fire calls declined by 25. We would like to think people are becoming more safety conscious as far as burning wood which is the main cause of the majority of our fire calls. However, 1984 has already seen a substantial increase in fire activity. Since the beginning of our year, December 1st, we have already responded to 15 fire calls.

Budget wise it has been necessary to expend almost \$1,000 to repair equipment in this new year. Therefore, the department will be asking for a 10% increase in our appropriation.

We wish to remind you of a new state law which requires all new dwellings to install smoke detectors. In addition any rental property is required to have installed smoke detectors on each and every "living" level. If you have any questions about this new law or anything else please feel free to contact us.

Best wishes to you all for a happy, healthy and safe 1984.

Respectfully submitted,  
 John French, Fire Chief  
 Donald Taylor, 1st Deputy Chief  
 Bruce Edes, 2nd Deputy Chief

**Donations:**

A memorial gift in the name of Hazel Burrows, was donated by Mr. and Mrs. Richard Burrows, The Face of Lincoln, by James Mellon;

An orange knife manufactured in Bennington around 1902 and a picture of Miss Mae Cashions primary grades taken in 1907 by Mr. Frank Keeser was donated by his sons, Richard and Wesley Keeser;

New andirons for our fireplace were donated by Mrs. John (Georgietta) Bryer. Thank you all very much.

We have endeavored to upgrade our non-fiction books this year as the ones we had were severely out-dated. I hope every one who has used our reading room and reference material has been able to profit from these new acquisitions.

Helena Ayers,  
Librarian

### **Dorothy Traxler**

*Dorothy, the widow of Paul Traxler, died this fall and she will be greatly missed. Like her husband, she had been active in town affairs for many years and leaves with all of us pleasant memories of happier times shared together in town work.*
